

# Step In Safely.

Bathway converts your existing bathtub into a safe and accessible step-in shower in just over an hour.

Fast, affordable and without the mess and expense of a renovation, Bathway cuts away a section of your tub and installs a custom-fit threshold. It's that simple.

*Tub to shower. Just over an hour.*

# Tub to shower. Just over an hour.

For anyone looking for a quick and economical alternative to messy, disruptive and costly bathroom renovation, Bathway is the answer.

*Wow! A quick and easy installation, with no mess! And at a fraction of the cost of other options we researched.*

***Thanks Bathway!***

## The Bathway Advantage:

- **Fast:** Tub to shower in just over an hour
- **Safe:** Creates a safe, low, step-through opening to your tub
- **Simple:** No impact on existing plumbing, floors or walls
- **Affordable:** Costs thousands less than a renovation
- **Professional:** Satisfaction Guaranteed
